ELITE*pro* SP/XC Logger Firmware UPDATE INSTRUCTIONS

PLEASE NOTE: If you are currently running ELOG 11 or ELOG 12, you may contact DENT Instruments for a FREE upgrade to ELOG 13 software.

Please phone 800.388.0770 or contact <u>sales@dentinstruments.com</u> for more information.

Prior to installing the new firmware, please check the current version running on your ELITEpro SP/XC. It can be found in the Logger Status box it the lower left hand side of the ELOG screen.

1. From ELOG; choose the Tools > Update Logger Firmware option from the main menu:

- 2. Make sure the ELITEpro SP/XC is connected and ready for updates. (IMPORTANT: All logged data will be lost. Please insure you have retrieved all logged data before updating the firmware).
- 3. From the Firmware Update dialog, browse to the location chosen earlier (Step 3 above) and click Update.
